

28 December 1953

MEMORANDUM FOR: The Record

1. As a special assignment while Chief of the Administrative Staff (Special), [REDACTED] were directed to audit, review, and prepare summaries, staff study, and draft formal submission of the [REDACTED] accounts to the Director of Central Intelligence by the Deputy Director (Plans).

STATINTL

2. This file contains numerous copies and originals of various documents and submissions which preceded the final submission upon which the Director of Central Intelligence acted.

3. This file is therefore only valuable as a record of the difficulties encountered and is not a part of the formal record.

4. Believe this should remain in the official Agency files in custody of [REDACTED] for use in refreshing memory in the event a further official review is ever made.

[REDACTED]
Special Assistant to the
Deputy Director (Admin.)
